ABOUT US

WHO WE ARE

ESTABLISHED

2014

Started as a small Digital Marketing company — today a Private Limited Company.

Avirat Tech Services was established in 2014 as a small Digital Marketing company, with limited resources and a handful of employees. Through perseverance, hard work, and innovative thinking, we were able to achieve our goals and transform into a Private Limited Company.

Our team consists of talented and creative individuals who are dedicated to delivering quality work. At Avirat Tech Services, we strive to conceptualize and implement strategies that cater to our clients' unique needs and concerns. Our ultimate goal is to exceed our clients' expectations and build long-lasting relationships based on trust and mutual respect.
